Business Information

PRICES named in this Trade List apply only to orders placed by nurserymen, florists and dealers.

PACKING. All goods are carefully packed in boxes or bales, for which we make a charge sufficient to cover cost of material used. Please state whether goods are to be shipped by express or freight and name route. After delivering to forwarders, all articles are entirely at the risk of purchaser, and if any loss or delay occurs the forwarders alone must be held responsible.

CLAIMS, if any, must be made immediately upon receipt of goods, when they will be carefully examined, and if just, made satisfactory, but in no case are we responsible for more than the purchase price of the stock in question.

TERMS. We offer the usual terms, net 30 days from date of invoice, to those of known responsibility but must have satisfactory business references from others or remittance must accompany order. Those desiring stock shipped by express C. O. D. will please remit one-quarter the amount of their purchase when ordering.

NON-WARRANTY. We give no warranty expressed or implied, the purchaser assuming all risk and responsibility of transportation, planting, growth, life of stock or any other matter on any stock we sell. We exercise the greatest care to keep our stock true to name and are willing to replace, on proper proof, all stock that may prove otherwise, or refund the amount paid, but it is mutually agreed that we shall not at any time be liable for a greater amount than the original purchase price.

TELL US HOW TO SHIP. Whether by freight or express and give railroad delivery if by freight.

THESE PRICES are in effect at this date, July 25th, 1933, and we hope to be able to hold them without change during the season of Fall 1933 and Spring 1934, but should the Federal Government make such restrictions that we will have to raise them we will notify you when we acknowledge your order.

Business Information

SHIPMENTS. Parcel Post, Express or Freight, charges collect.

SIZE OF PEONY PLANTS. Prices quoted are for Standard 3 to 5 eye divisions or plants, with well balanced root system. We can furnish plants 2 years older than the 3 to 5 eye division of most of the varieties offered at two and one-half the division price.

GUARANTEE. We guarantee our stock true to name and will refund purchase price for any stock that does not prove so. We will not be liable for more than this amount.

TERMS. Cash with order, unless your credit is established with us. We will however be glad to extend credit to those deserving it. If you desire credit and do not already have an account with us, send name of your bank and two firms with whom you have a credit account. Will ship C. O. D. if one fourth amount accompanies order.

SUBSTITUTIONS. We do not substitute unless authorized to do so. Money returned if we cannot fill your order.

SHIPPING DATES. We begin shipping Peonies the latter part of August and continue until Spring. Other stock can be shipped at most any time you want it.

As Good As Can Be Grown

We are exerting every effort to produce the very best stock that can be grown, and in our twenty-seven year's experience we believe we have never offered bigger values than we are offering this season. We feel sure that you will be more than pleased with the stock we send you. We value your friendship and orders, and will do our utmost to keep your good will. **We believe you will find our stock as good as you can get anywhere, regardless of the price you may pay.**

Peonies

Why Our Prices Are So Low

We hope our greatly reduced prices will not lead you to think the quality has also been lowered—**it has not and will not be.** About one-half the Peonies we are herein offering are on leased land which we wish to vacate this season and rather than transpant them we have decided to reduce our prices so as to enable us to reduce our stock. We have over twenty acres and want to reduce the acreage to about ten. Again we repeat **—The quality has not been lowered, only the price.**

We want your orders this season, and if we get them we will do our best to make you feel they were well placed.

A descriptive list will be sent on request.

A NEW BOOK—AZALEAS AND CAMELLIAS
By H. H. HUME

Interest in Azaleas and Camellias is greatly increasing. Until now, little information on varieties, care, and culture of these plants has been available. Mr. Hume accurately and thoroughly describes the varieties best suited for various uses and discusses questions of culture, such as soils, fertilization, planting, propagation, and general care, indoors and out. He has taken special care to describe accurately the several groups and varieties, and his suggestions on the use and culture are very practical. If you are growing Azaleas and Camellias you will find this book of much help. **Price $1.50 postpaid.**
